

# POSSESSION trilogy order form

**About POSSESSION:** Vi knows the Rule: Girls don't walk with boys, and they never even think about kissing them. But no one makes Vi want to break the Rules more than Zenn...and since the Thinkers have chosen him as Vi's future match, how much trouble can one kiss cause? The Thinkers may have brainwashed the rest of the population, but Vi is determined to think for herself.

But the Thinkers are unusually persuasive, and they're set on convincing Vi to become one of them....starting by brainwashing Zenn. Vi can't leave Zenn in the Thinkers' hands, but she's wary of joining the rebellion, especially since that means teaming up with Jag. Jag is egotistical, charismatic, and dangerous--everything Zenn's not. Vi can't quite trust Jag and can't quite resist him, but she also can't give up on Zenn.

This is a game of control or be controlled. And Vi has no choice but to play.

**About SURRENDER:** Raine has always been a good girl. She lives by the rules in Freedom. After all, they are her father's rules: He's the Director. It's because of him that Raine is willing to use her talent--a power so dangerous, no one else is allowed to know about it. Not even her roommate, Vi.

All of that changes when Raine falls for Gunner. Raine's got every reason in the world to stay away from Gunn, but she just can't. Especially when she discovers his connection to Vi's boyfriend, Zenn.

Raine has never known anyone as heavily brainwashed as Vi. Raine's father expects her to spy on Vi and report back to him. But Raine is beginning to wonder what Vi knows that her father is so anxious to keep hidden, and what might happen if she helps Vi remember it. She's even starting to suspect Vi's secrets might involve Freedom's newest prisoner, the rebel Jag Barque...

**About ABANDON:** Vi has made her choice between Jag and Zenn, and the resistance may have suffered for it. But with the Thinkers as strong as ever, the rebels still have a job to do. Vi knows better than anyone that there's more at stake than a few broken hearts.

But there is a traitor among them...and the choices he makes could lead to the total destruction of everything Vi has fought for.

Vi, Jag, and Zenn must set their problems aside for the resistance to have any hope of ending the Thinkers' reign. Their success means everything...and their failure means death.
